

Benton Files executed Option Agreement for Great Burnt Copper-Gold Option and Expands Disclosure of Joint-Venture Net Smelter Returns

Thunder Bay, ON, September 25, 2023 – Benton Resources Inc. ("Benton" or the "Company") (TSXV: BEX) further to the August 17, 2023 and August 30, 2023 news releases, the Company announces that it has signed an Option Agreement ("Agreement") with **Spruce Ridge Resources Ltd.** ("**Spruce**") (TSXV: SHL), whereby Benton can earn an undivided 70% interest in Spruce's Newfoundland properties (the "Property") including the Great Burnt Copper deposit and South Pond Gold and Copper zones (the "Option"). The Company has received conditional approval by the TSX Venture Exchange (the "Exchange") for the Option.

Highlights of the Option

Under the terms of the Option, Benton can earn a 70% undivided interest in the Property by:

- making a \$40,000 cash payment to Spruce upon receipt of final Exchange approval;
- issuing to Spruce 15 million common shares in the capital of Benton ("Benton Shares") as follows:
 - 5,000,000 Benton Shares subject to a four-month regulatory trading restriction;
 - 5,000,000 Benton Shares subject to a four-month regulatory trading restriction plus an additional eight-month trading restriction;
 - 5,000,000 Benton Shares subject to a four-month regulatory trading restriction plus an additional twenty-month trading restriction; and
- completing \$2.5 million in exploration expenditures on the Property within 36 months of the date of the LOI, of which \$1.0 million must be expended by the first anniversary of the LOI, subject to the right of Benton to accelerate the completion of such expenditures and share issuances at its election.

Once a 70% interest in the Property is earned by Benton, the Property will be operated as a participating joint venture. In the event a joint venture is formed, if either party has its interest in the Property diluted to less than 10%, such interest will be converted to a net smelter royalty of 2% less any existing royalties that the Property is subject to.
